it doesn't turn out like it's planned....

Just A Little Oddity
> <font>Disclaimer:I don't own DBZ! R/R!
> <font>This is just a little twist from when they fight Nappa and
Vegeta. I'm bringing Goku back, cause we need someone to have humor
in this story.I don't own the Sailor Moon theme either.
>

Everyone was there. Meaning Vegeta, Nappa, Goku, Tien, Chowsu(sp?),
Yamcha , Piccolo, and Gohan. They were all in fighting
stances...except Nappa.
>
 "What's wrong with you fool?Stand up and fight!" shouted
Vegeta.
>
 "B...b..but..." Nappa stuttered between tears.
>
 "Spit it out already!" shouted Krillin.
>
 "I'm gonna miss Barney!!! And today they were gonna go
fishing!" he said, crying the entire time.
>
 Then, Goku also began to cry. "I'm gonna miss
Teletubbies....WAAAHHHHH!" he cried, while pounding the ground.
>
 Piccolo then sat down Indian-style and began meditating,
figuring they weren't gonna be fighting anythime soon.
>
 Gohan grabbed a paper bag , stuck it over his head, and began
meditating while saying: "I'm hoping I'm adopted...."
>
 Meanwhile back with Goku and Nappa.....
>
 Vegeta had joined them and they had their arms around each
other crying and singing loudly off key.
>
 "I'm.... gunna miss Friends!" Vegeta squealed. "Then I'll just
sing!Fighting evil by moonlight..." he began to sing totally off key.

>
 "Winning love by *hic* daylight.... *never running from a real
hic-" Nappa sang ,then fell asleep with his mouth hanging open
>
 "-fight, she is the one named Sailor Moon!" Goku finished.
>
 Then Nappa was kicked out of the way and Goku, Vegeta, Tien,

Krillin, and Chowsu linked arms and began to sing. "She will never turn her back on a friend ...she is always there to defend.. she is one on whom we depend..."
>
 "Nooooo...I can't stand this song!"Yamcha shouted and jumped in the river.
>
 "She is the one named Sailor....." they continued.
>
 "Sailor Venus!" They shouted pulling Yamcha out of the river making him do a pose, then threw him back in.
>
 "Sailor Mercury!" Gohan said....doing a pose.
>
 "Sailor Mars!"shouted Vegeta, also doing a pose.
>
 "Sailor Jupiter!" they shouted. Piccolo raised an eyebrow.
>
 "Ahem Sailor Jupiter!" Gohan said.
>
 "No! I refuse, you can't make me!" he said with fear in his eyes.
>
 "I'll start!" Gohan said, making his lower lip tremble, and a tear rolled down his cheek.
>
 "Ok ok!" he said and did the pose.
>
 "Fighting evil by moonlight winning love by daylight ..." they sang while Goku and Gohan did the pose thingy.
>
 "With her Sailor -"
>
 "Hey!" Goku shouted.
>
 "With HIS Sailor Scouts to help fight, HE is the one named Sailor Moon! HE is the one named Sailor Moon! HE is the one...Sailor-"Before they could get the last word out..they all passed out.
